

# Planting Seeds of Intention

What do you wish to grow and harvest this year? What desire are you willing to care for while patiently waiting for its arrival?

Join us as we symbolically plant seeds of these desires, dreams and intentions for 2018. Let's see what we can grow together.

Bring your own seeds and pot or use ours.

**Friday, February 16, 2018**

**5:00 – 7:00 PM**

**Free Event!**

**Facilitative Healing Center**

We help people achieve balance in their physical health and emotional wellness
